Additional notes:

• MuL is pronounced /myo͞ol/ (as in 'mule').

• Macron above the u can be omitted in general text references.

• The u in MuL should be lower case, with M and L in uppercase.

• TM should be included in first major mention, whether image or text.

• Many additional image file formats are available.

• Files and more information available at www.multechnologies.com/artwork

• Inquiries can be sent to hans.dittmar@multechnologies.com
